Publisher: Gli Ori. Editori contemporanei, Pistoia

Year of publication: 2008

Number of pages: 88

Size: 17 x 22

Languages: Italian and English

Price: 18 €

The co-authored book, the result of a cooperation between Gianni Caravaggio and philosopher Federico Ferrari, accompanies and completes the artist's project for Collezione Maramotti. The seven artworks represent a continuity in the artist's reflection on the mystery of art creation and artistic gesture as a generating force for a renewed relationship with the work itself and its potentially on-going re-definition.
