The book can be also purchased on the website:  
[www.silvanaeditoriale.it](http://www.silvanaeditoriale.it)

The book is the first monograph dedicated to the American artist and presents the evolution in Sally Ross's pictorial work from 2005 to her latest paintings, on show at the Maramotti Collection.

The volume presents images of the artworks on display, together with an illustration of her previous works, a contribution by Mario Diacono, and a conversation with the artist by American critic Bob Nickas - who has been following Ross's research for a long time.
