Published in conjunction with the show *Mollino/Insides* at the Collezione Maramotti, the book presents new paintings by Enoc Perez and photographs by Brigitte Schindler and Carlo Mollino.

The project is focused on Mollino's last, mysterious residence in Via Napione, Turin – now a museum – as transformed by Perez's brush and Schindler's lens, and includes Mollino's own photographs of models, which blur into the enigmatic essence of the imaginary they inhabit.

The volume collects new texts by Mario Diacono, Fulvio Ferrari, Enoc Perez and Brigitte Schindler, together with some excerpts from Carlo Mollino's "Message from the darkroom".
